

Be local. Be global. Be the Gospel.

Sharing the good news of Jesus is the essence of the church's calling and the primary reason for its existence.

It is, indeed, a great privilege to be directly engaged in the task of building our capacity for the church's mission in the world. It's been a great honor to do so alongside

you, and with your support. Your investment in the task of sharing the good news of Jesus around the world is an inspiration and a source of deep gratitude. Thank you for

your partnership in God's mission this past year!
