Conference News

Practicing Our Hope: Annual Sessions 2019 takes place June 13-15 at Amigo Centre. Hear stories from Michigan congregations about how they are experiencing God in their communities. Attend worship and listen to engaging sermons. Check out the website for more information.

CONNECTING

Dan made a trip to Bloomington and Indianapolis in mid-January.

Northern Michigan pastors and spouses had their annual retreat January 18-20.

Sharon Yoder is on board now in the quarter-time position working with searches and credentialing.

As part of the sabbatical from regional meetings this year, MLT invites pastors and delegates to invest that time in missional connections, or imagining next steps in doing conference meaningfully.

The last week of February, Dan will meet with mid-states leaders, attend part of Pastors and Leaders at AMBS, and attend Constituency Leaders Council.

CELEBRATING

We celebrate Anna and Brandon's wedding on January 19.

We celebrate Rhonda Yoder's contributions to Leadership Enhancement Team as she steps back to address family concerns.

The retiring pastors group had their first meeting February 11, after being delayed 2 weeks by winter weather.

We give thanks for the planning Missional Leadership Team and others are doing for [Practicing our Hope: Annual Session 2019](#).

CREDENTIALING AND LEADERSHIP DEVELOPMENT

Two options for Healthy Boundaries training:

A Leadership Clinic on February 25 at AMBS Pastors and Leaders. David Miller will lead the seminar. David is a teaching associate at AMBS; he was a pastor at East Goshen. He spoke at Annual Sessions in 2018. Register online.

Mennonite Church USA convention in Kansas City at the beginning of July. A Healthy Boundaries 101 seminar is being scheduled for Tuesday, July 2. Registration for convention is open. See information [here](#).

As a conference in Mennonite Church USA we are committed to helping pastors in Indiana-Michigan Mennonite Conference maintain healthy and life-giving relationships in their families and churches. Because pastors have access to people in vulnerable times, it is important that we consciously learn and maintain healthy boundaries.

Ministry Credentialing Team (MCT) is joining with other Mennonite Church USA conferences in asking that every pastor attend a Healthy Boundaries seminar every three years. MCT sponsored Healthy Boundaries 101 seminars as part of the Pastor Gathering for the last two years, and have asked every pastor to have this training by the end of 2019.

Pastor Financial Wellness

Everence has received a second \$1 million grant in support of pastor financial wellness. Half of it will be for educational events and half for financial assistance grants. Watch for future educational events.

Application forms, if you did not receive a matching financial grant last time, are available [here](#). Contact the office at 574-534-4006 if you have questions, or you can contact Patty Skelton, Everence Administrative Assistant at patty.skelton@everence.com.

Financial Report

Thank you for your continued generous support. In January while our income was below budget by only \$496 our expenses were below budget by \$7,196. The year to date income is above expenses by \$19,372.

You are invited to register for **Sent 2019: Beautiful Feet!** This year, the conference will be hosted by Beloved Community Mennonite Church and Mountain States Mennonite Conference and will take place Apr. 26-28, 2019, in Denver, Colorado.

The **Sent conference** is the event that Mennonite Mission Network (MMN) organizes every year to gather missional leaders who share a passion for planting peace churches in our nation. **Sent** is normally attended by a diverse community of leaders: women/men, immigrants, millennials, pastors, missional staff leaders, and others.

Information can be found here: [Sent 2019 Registration](#).

Scholarships will be available based on need. Once again, Everence is joining us in this effort, and we hope to help as many as we can.
