Elkhart County Mennonite pastors and leaders are planning a local learning and service trip about creation care and climate change for youth groups in the area. The week will include a mix of worship, bible studies, field trips, service projects, and fun. We are working very hard to keep this low cost. At this point, we are not asking for commitment, only interest. If you would like to receive updates as this event takes shape, please email Ben Bouwman at ben.whmc@gmail.com“
