

Be local. Be global. Be the Gospel.

Incredibly, God chooses to make the progress of the mission for which Jesus came, closely tied to human engagement! Thank

you so much for your partnership and the support you've given to advance God's mission in the world. Through your kind sharing, and the generous support of congregations within your conference, we were

able to extend the reach of God's healing and hope in so many places around the globe. Thank you for being such an important part of our common witness to the good news of Jesus in word and deed. Our

hearts are filled with gratitude and hope by your sharing in the gospel. Blessings!
