

Be local. Be global. Be the Gospel.

Changes are the construction blocks of our lives. We exult when changes move in a positive direction of greater support and deepened

partnership. When changes are in a negative direction, we realize how much we appreciate the generosity of those whose support remains strong during the tough times. Mennonite Mission Network is

eager to strengthen our support of partners all around the world as they engage in advancing God's purposes for healing and hope. We cannot do this without you, so we're grateful for your sharing of prayers

and financial contributions that allow us to continue God's mission in the world. Thank you!
