Hesston College-Online Event

What if They Don't Come Back? Pastoring Through the Pandemic

Pastors and church leaders have had unprecedented challenges during COVID-19. How do we care for each other when we can't be together? How do we move toward each other in a time of historical division if we can't be in proximity? How do we reach out when we really should stay home? Tensions, divisions and frustrations abound and the Pastor is at the center of it all. But what if in the midst of challenge comes the opportunity for transformative change?

Hesston College is offering an online weekend event on the topic of pastoring through the pandemic. Cost is \$50 per person. More information on how to register is found here: <https://www.hesston.edu/academics/departments/call-program/weekend-college/what-if-they-dont-come-back/>

weLink connects IN-MI Conference congregations to each other, to the conference organizations Amigo Centre, Bethany Christian Schools and to the wider church.
